With reference to your purchase of the fractional North East quarter of section 5, township 59, range 27, west of the 4th meridian, containing 8.40 acres, I beg to remind you that the balance overdue in connection therewith has not yet been paid and as you have been holding this land for more than thirteen years it is important if you wish to retain the same that you advise the Department within sixty days from this date of your intentions regarding the payment therefor.

Your attention is called to the fact that during the years of crop failure the Department has been very lenient in granting extensions of time to those who were unable to make payments of amounts due in connection with entries to which purchase conditions are attached. As there has been, however, a bountiful harvest in the Prairie Provinces this year the Department expects those who are able to do so to liquidate their indebtedness promptly.

The amount required to complete the payment for the said land is $18.90, balance of principal, to which sum must be added interest at the rate of 5% per annum from the 1st August, 1909, to the 1st September, 1919, and thereafter at the rate of 7% per annum to the date of payment.

I have been greatly disapointed with my work, strikes & bad times have not enabled me to put enough by to go on my land in good shape. We are now working steady & if I could procure three months protection I could fulfill all obligations in very fair style

If Entry required for protection cannot be granted will go on the land at once but can see no thing there would prefer waiting until Spring.

DOMINION LANDS OFFICE
Posting of Soldier Settlement Land.

Lethbridge, Alberta 10th June 1920

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the 21st June 1920 the following described land of the class suitable for farming and is unoccupied, as follows:—

Township 5 Range 9 West of the 4th Meridian, North West ¼ of Section 16 will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:—

ON THE DAY LAST ABOVE MENTIONED the privilege of entry is either as an ordinary homestead or as a soldier grant is restricted to a "settler" as defined by the Soldier Settlement Act, eligible to make entry and holds an adjoining quarter section under homestead or soldier entry, or who obtained homestead patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full on the back of this notice.

ON THE SUCCEEDING DAY namely the 22nd day of June 1920 and thereafter unless entered for or reserved for an adjoining "settler" the land will be available—

1. By a "settler" as defined by the Soldier Settlement Act as a Soldier Grant.

2. By a "settler" as defined by the Soldier Settlement Act as an ordinary homestead, provided such settler is eligible to make homestead entry.

NOTE.—The Board does not desire to interfere with the ordinary homestead privilege of men who joined the Canadian Expeditionary Force in good faith and who have been discharged before reaching the actual seats of war for some valid reason, and who desire to obtain homestead entry within the tract reserved for Soldier Settlement. In all such cases, however, the Agent of Dominion Lands in accepting entry should particularly note that the man has not been discharged from the Forces by reason of misconduct.

N.B.—Men belonging to or discharged from Forces other than the Canadian Expeditionary Force are not eligible to secure homestead entry in the tract reserved for soldiers unless they are also eligible for soldier grant under the Soldier Settlement Land Regulations.

For particulars as to who is entitled to a Soldier Grant see other side.

Applicants for soldier grant entry must produce, when applying for entry, certificate of attestation, [redacted] or telegram or special letter from the Soldier Settlement Board.

Applicants for homestead entry must produce evidence of honourable discharge; or if still on military service must furnish particulars of enlistment.

Any person who is desirous of making entry must visit the land personally before making his application and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy) may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated. Proxy entry must be made at the office of the local Agent, not Sub-agent. For proxy regulations see Dominion Lands Hand-Book.

No fee is charged in connection with a soldier grant. The entry fee if taken as a homestead will be $10. According to evidence on file in this office there are improvements upon the land stated to be worth $

PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry or reservation, he shall declare what improvements, if any, there are upon the land for which he applies, and pay to the Agent or Sub-agent the full amount of his valuation of such improvements. Should he fail to make such declaration his entry or reservation shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid, the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND.

The following indebtedness is charged against this land $

If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amount of indebtedness.

Former homestead of Newell S. Holcomb.
Entry cancelled - 9th April, 1920.

Mr. Cuttle on the 22nd January, 1921, quotes Inspector Mayberry as follows:-

"I have taken this man's address "up with the Postmaster at Manyberries "and Ranchvale, but they are not in "possession of any information leading "to his present whereabouts. I will keep "on the look out and may be able to get "it later."

It would not appear that any application for a refund has been made by Mr. Holcomb for the value of the improvements left by him on the land, which consisted, according to Inspector McCowan's report of the 21st March last, of a frame house value $35.00.

Dear Sir:

Re: W½ 16-5-7-W.4th Mer.

Your file No. 1839544

I have your letter of the 1st instant, requesting to be advised of the present standing of the above described land, and if it is likely to be used again for grazing purposes.

This half-section is included in Grazing Leases Nos. 32578 and 33498. Frank L. Weeks, of Orion, Alberta, holds Grazing Lease No. 32578. This lease issued for a term of seventeen years and six months, computed from the 1st of December, 1945.

Sydney Herbert Dann, of Orion, holds Grazing Lease No. 33498, and this lease issued for a term of twenty years, computed from the 1st of July, 1948.

This half-section is situated outside of the homestead lease area, and it is not likely that the land will be used again for farming purposes.

Yours truly,

E. P. Shaver,
Act. Director of Lands.

Re: Account of Newell S. Holcomb
W.½ 16-5-7-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 fodder and relief amounting to $259.85 were advanced to Newell S. Holcomb on the security of the above mentioned land. A payment of $30.00 was received in 1924 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 241.18	$ 426.65	$ 667.83

The W.½ 16-5-7-W4 was formerly the homestead and pre-emption entries of the debtor on which security he obtained the 1915 advances of fodder and relief. His entries were cancelled on the 9th of April 1920 and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 1st of August 1952, E.P. Shaver, Acting Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"This half-section is included in Grazing Leases Nos. 32578 and 33498. Frank L. Weeks, of Orion, Alberta, holds Grazing Lease No. 32578. This lease issued for a term of seventeen years and seven months, computed from the 1st of December, 1945.

Sydney Herbert Dann, of Orion, holds Grazing Lease No. 33498, and this lease issued for a term of twenty years, computed from the 1st of July, 1948.

This half-section is situated outside of the homestead lease area, and it is not likely that the land will be used again for farming purposes."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the balance of the indebtedness be cancelled.

I, B. A. Aaen, being first duly sworn, on my oath depose and say: That I am well acquainted with Ed Hermansen, Homestead Entryman for SW 1/4 Sec. 28, T. 8, R. 7, W. 4th M.; that I have read the hereto attached declaration of the said Ed Hermansen and know from my own knowledge that the statements therein by him made are true; The said Ed Hermansen has requested that I aid him in securing for him a purchaser for his farm here, or that I aid him in securing a loan in order that he might obtain money with which to remove his family and his stock of horses, cattle and household goods to his Canadian Homestead; The ~~the~~ said Ed Hermansen is an honest and industrious farmer, law-abiding and a desirable citizen; The past two year's total crop failure here has left him, in common with all farmers here, financially distressed and ~~that~~ this fact, added to the illness of his wife, has delayed him from removing to the said homestead; That it is his bona fide intention to make this homestead his future home; That I believe that the said Ed Hermansen will be a loyal and law-abiding citizen and that if the Canadian Homestead law will in any manner so permit it will be to the best interest of all concerned that his homestead entry be not cancelled but that he be allowed a short time in which to enable him to establish his residence on the said land.

Respectfully,

Answer I was unable to move my family and my stock to homestead last Fall as I had not yet built my house there and the weather was too cold to permit of my establishing my residence there at that time; I applied for and was granted an extension to Apr.1,1 12 within which to establish my residence. This has been a late Spring here and I have not been able to sell my farm here yet, and I have been trying to dispose of said farm to crop as that will aid me in selling it. I now have my seeding nearly done and expect to move to my homestead with my family and with my stock, consisting of 10 head of cattle and a team of horses, farming machinery and household goods, in a very short time. If I sell my farm here I will move there at once as I expect to make it my permanent home. My wife has been sick all winter and I can not move her there until I have my house built. I do not want to lose my homestead and if necessary I will leave here myself at once for same, but would like to have a few more days if possible.

Sir,-

S.W. ¼ of Sec. 21 Tp. 33 Rge. 21 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting these settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person mentioned patent for the quarter section described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon his claim in his own favour or to assign his rights for the purpose of making entry for the sole benefit of another person.

If you are interested in this concession for seed grain or relief, the land taken under the provisions of this letter will be subject to such conditions.

I sincerely intend to perform duties required by the Act in order to get patent for above mentioned land but I find it quite necessary to work a while longer to enable me to gather funds to keep things in right order and allow my family a proper home.
